Permit with introductory note

The Environmental Permitting (England & Wales) Regulations 2010

Waste Management Resources Limited
Penhall Road Recycling Centre
7-10 Penhall Road
Charlton London
SE7 8RX

Permit number

EPR/BB3802LT

Penhall Road Recycling Centre

Permit number EPR/BB3802LT

Introductory note

This introductory note does not form a part of the permit

The main features of the permit are as follows.

The site is commercial and industrial waste transfer station with treatment with an annual throughput of less than 25,000 tones per year. Waste is accepted for disposal or recovery and is treated by manual sorting, separating, baling and compacting. No hazardous or putrescible waste shall be accepted at the site. All waste treatment is to be carried out inside a building with a sealed drainage system.

The status log of the permit sets out the permitting history, including any changes to the permit reference number.
